In this resource guide, we will be using our training demonstration website to provide examples. Some information may appear differently in your state’s specific VINELink website.

Section 1: VINELink User Accounts

VINELINK User Accounts Overview

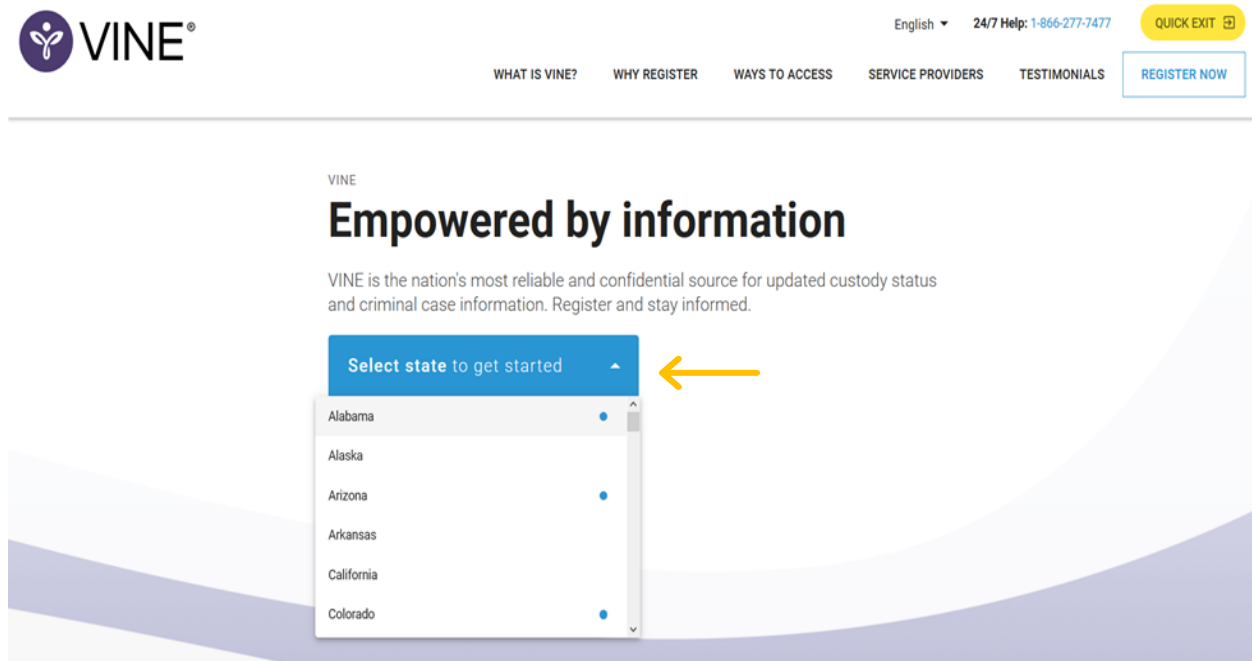

In most states, creating a VINELink User Account is not required to search for important offender, defendant, or service provider information, or for registering for notification of updates to offender and court case statuses.

However, creating an account is free, confidential, and gives access to additional features. The chart below outlines some of the key differences between accessing VINELink with an account and without an account.

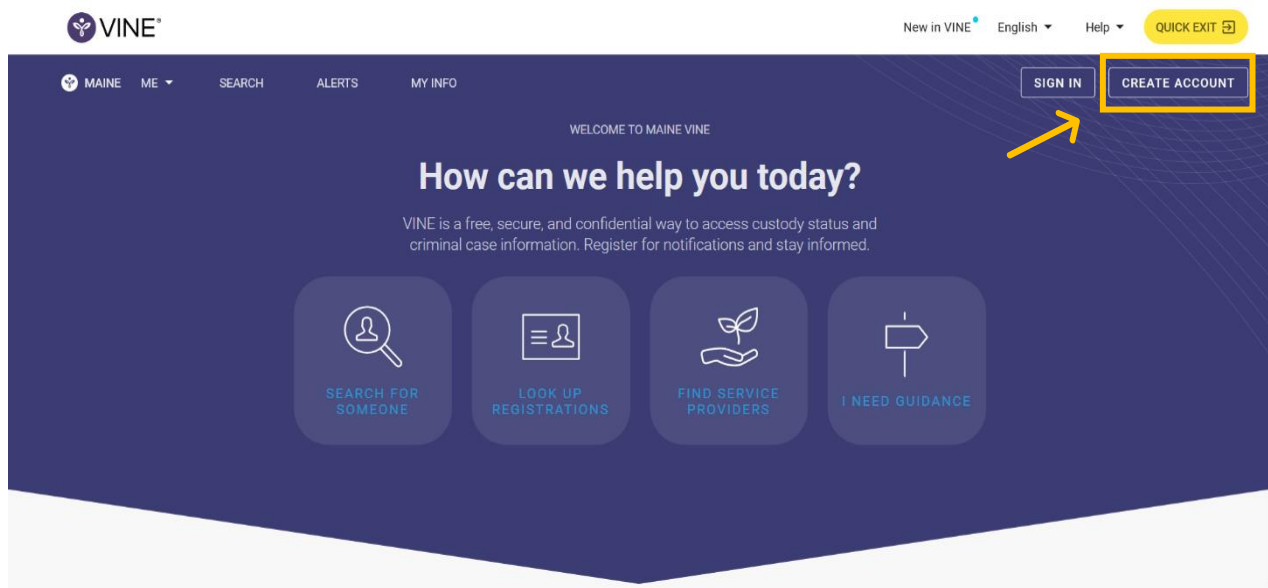

VINELINK Feature	With Account	Without Account
Search for an Offender/Defendant	✓	✓
Find a Service Provider	✓	✓
Look Up My Registrations	✓	✓
Follow the I Need Guidance Feature	✓	✓
View Tutorials, Helpful Links, Downloads, and News	✓	✓
Get Notified	✓	✓
Get Notified In-App	✓	
Add to Offender/Defendant to Watch List	✓	
Save Service Provider to VINELink Account	✓	
Manage My Registrations in One Place	✓	

How to Create a VINELink Account

1. Access VINELink via the web at www.vinelink.com or via our free mobile application. Select your **State** to get started.

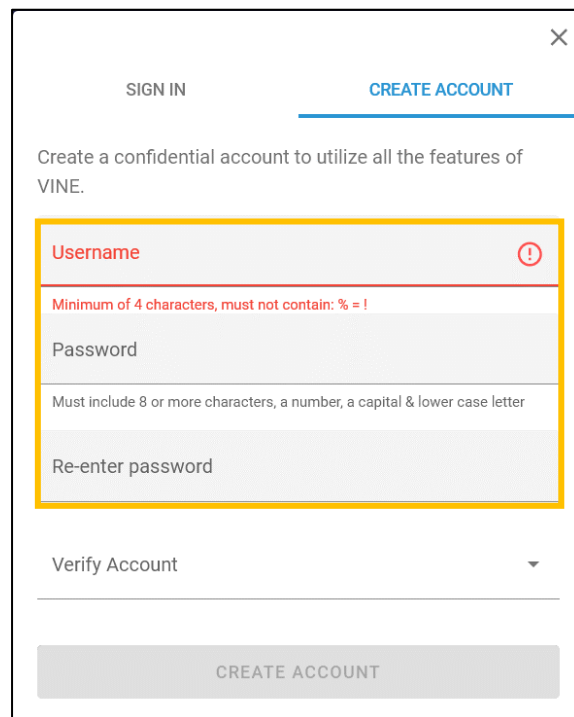

2. On your state's landing page, select "**Create Account**" from the menu in the header.

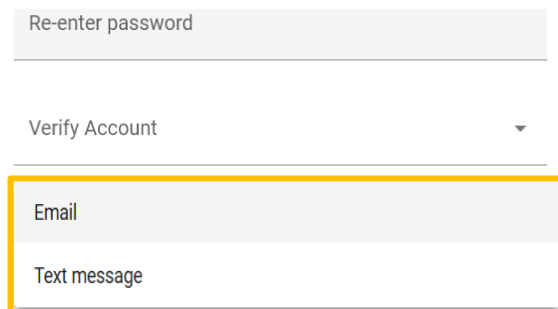

3. On the Create Account form, you will first need to identify your **Username** and **Password**.

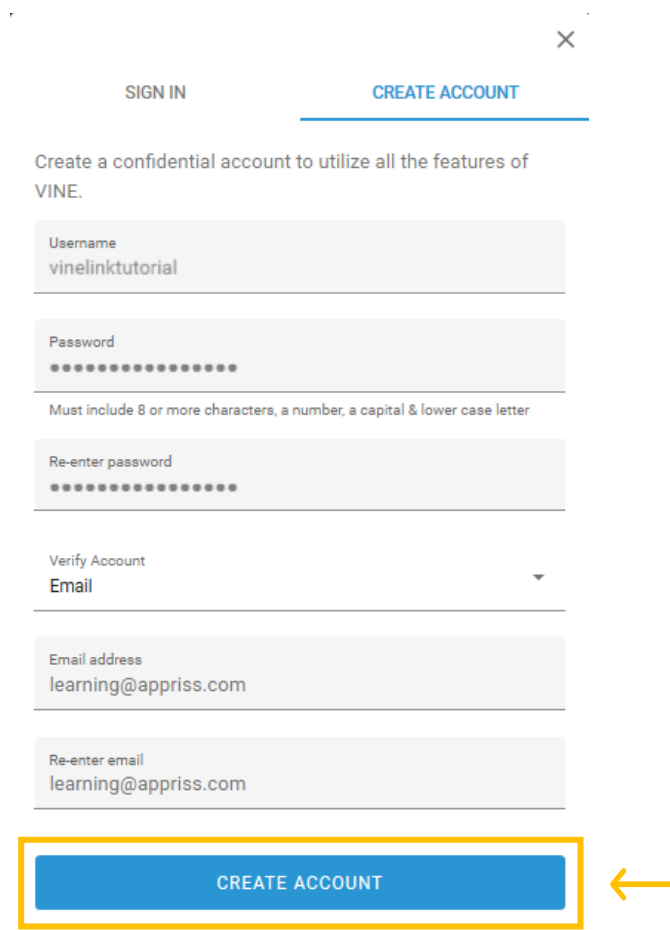

- Your unique username must be a minimum of 4 characters and cannot contain: % = !.
- Your password must include 8 or more characters, a number, a capital letter and a lower case letter.

4. Next, you will select how you would like to **verify** your account. You can choose to verify your account by email or text message. You will then be prompted to enter either your email address or phone number based on your selection.

5. Once the required fields are complete, select **"Create Account."**

6. To finalize your account creation, you will be asked to verify your account by **entering the verification code** delivered to you by text or email.

- If you did not receive the code via the method you selected, select **"Send Me A New Code"** to re-enter your information or select a new method for code delivery.
- You may also select **"Skip and Verify Later,"** though you will not have access to all VINELink Account features until your account is verified.

After entering your verification code, select **"Verify"** to finish verifying and creating your account.

Verify Account

The code was emailed to **learning@appriss.com**

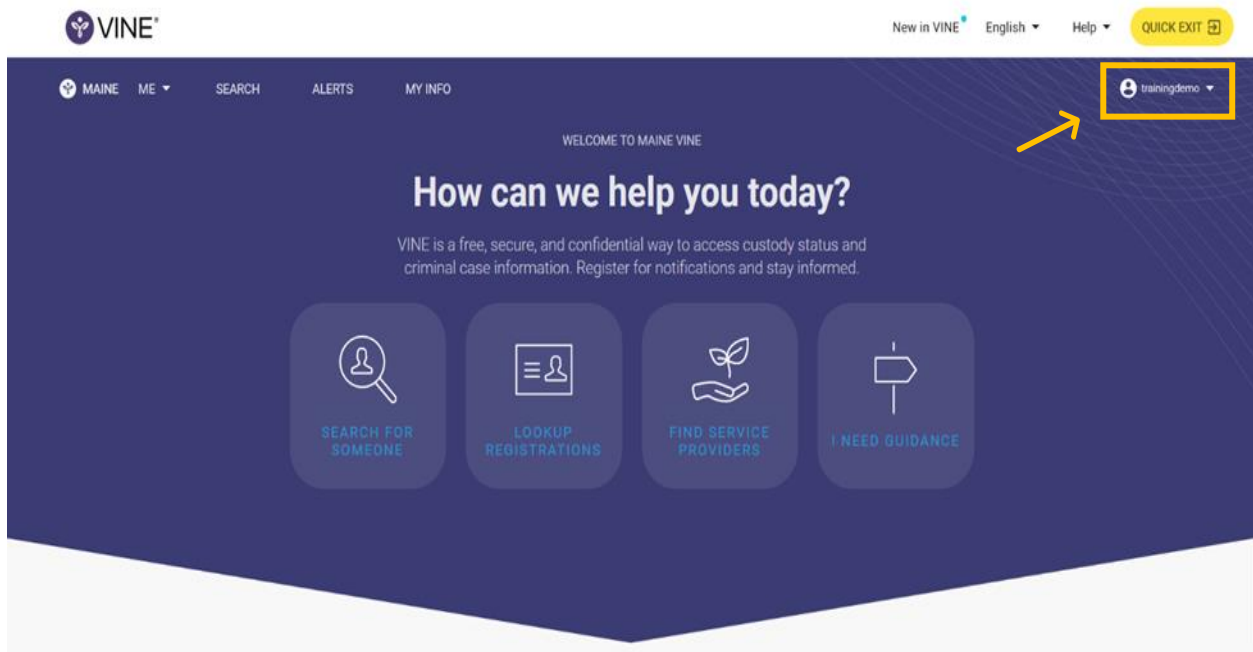

It may take a few minutes for the verification code to arrive, and it will be active for 30 minutes. If it is expired, request a new code below.

[SEND ME A NEW CODE](#)

[SKIP AND VERIFY LATER](#)

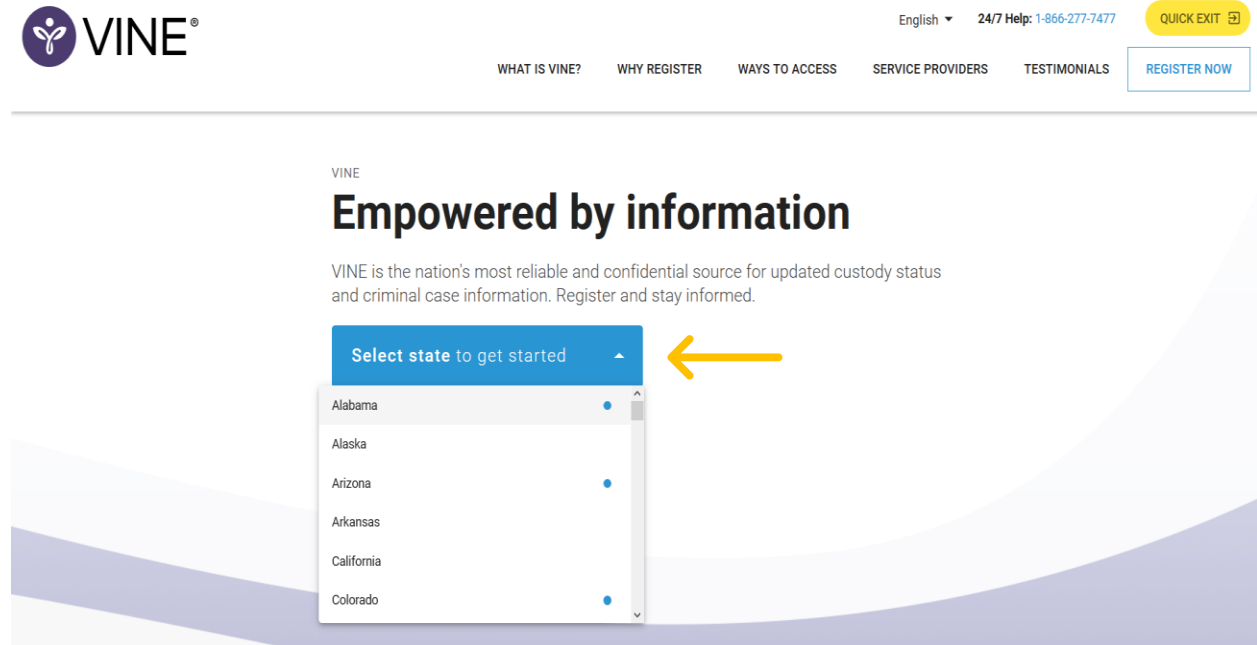

7. Welcome to VINE! You will now be logged in to your account and taken to your state's landing page.

To confirm you are logged in to your account, you will see your username displayed in the header menu.

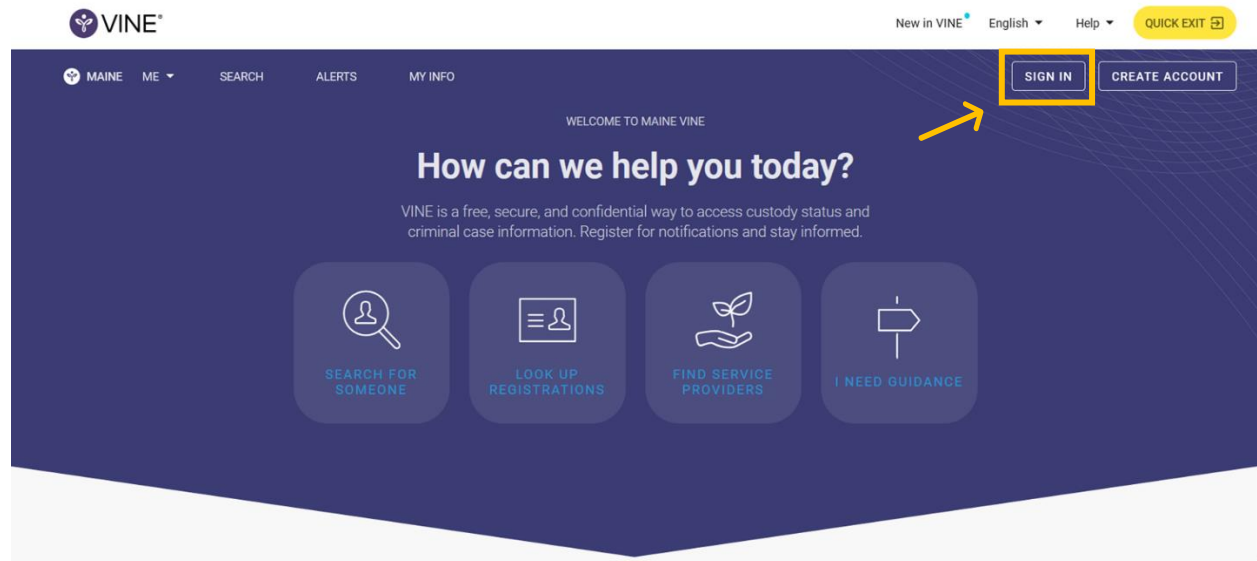

How to Sign in to a VINELink Account

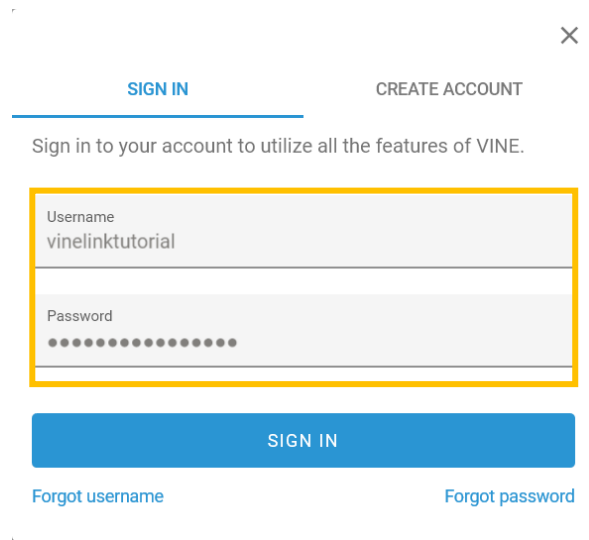

1. Access VINELink via the web at www.vinelink.com or via our free mobile application. Select your **State** to get started.

2. On your state's landing page, select "Sign In" from the menu in the header.

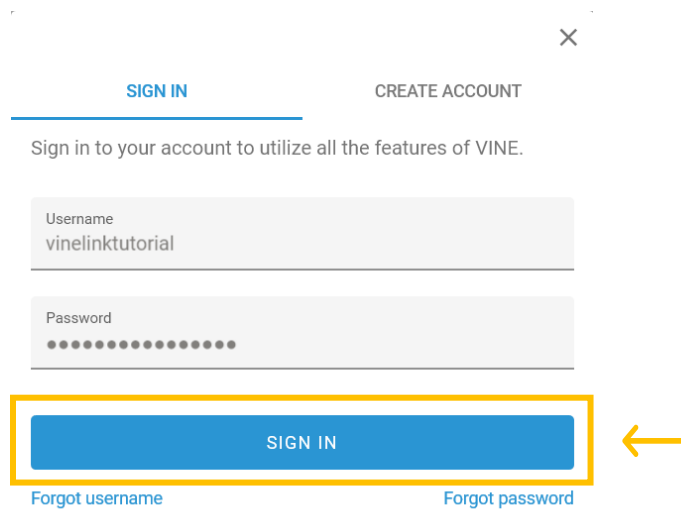

3. On the Sign In form, you will need to enter your unique **Username** and **Password**.

The screenshot shows the VINE Sign In form. At the top right is a close button (X). Below it are two tabs: "SIGN IN" (active, underlined) and "CREATE ACCOUNT". The main heading reads "Sign in to your account to utilize all the features of VINE." Below this are two input fields: "Username" with the text "vinelinktutorial" and "Password" with masked characters. A yellow box highlights both input fields. Below the fields is a blue "SIGN IN" button. At the bottom are two links: "Forgot username" and "Forgot password".

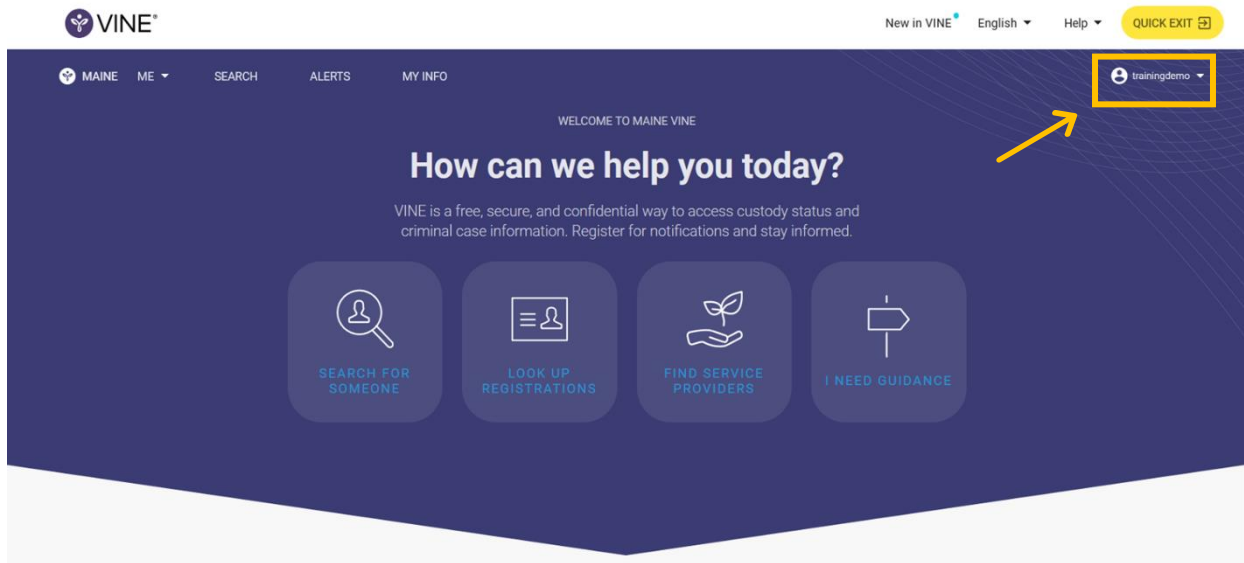

4. Once you have entered your account credentials, click **"Sign In."**

This screenshot is identical to the previous one, but the "SIGN IN" button is highlighted with a yellow box, and a yellow arrow points to it from the right. The rest of the form, including the tabs, heading, input fields, and links, remains the same.

5. Welcome to VINE! You are now logged in and will be directed to your account landing page. Note that your username will display in the header menu to confirm you are logged in to VINELink.

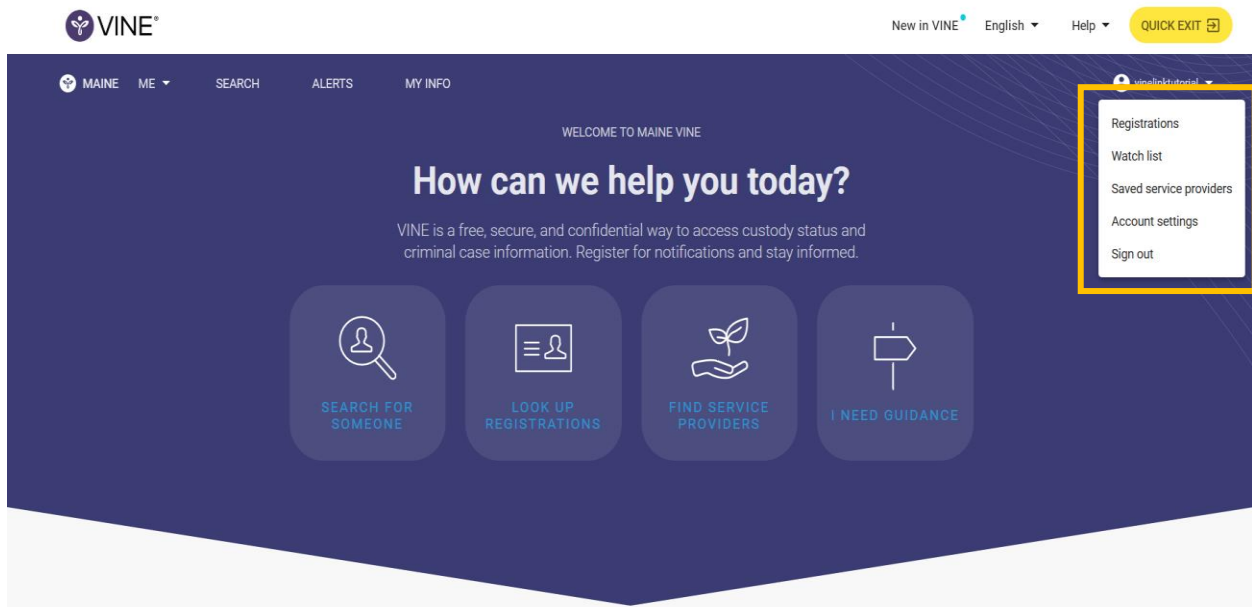

To access more details about your account, select the downward arrow next to your username.

6. From your account dropdown menu, you can access your **Registrations**, **Watch List**, **Saved Service Providers**, and **Account Settings**.

- Your account settings allow you to view your account information, update your password, and manage your four-digit Personal Identification Number (PIN) for notifications.

To exit your account, simply click "**Sign Out.**"

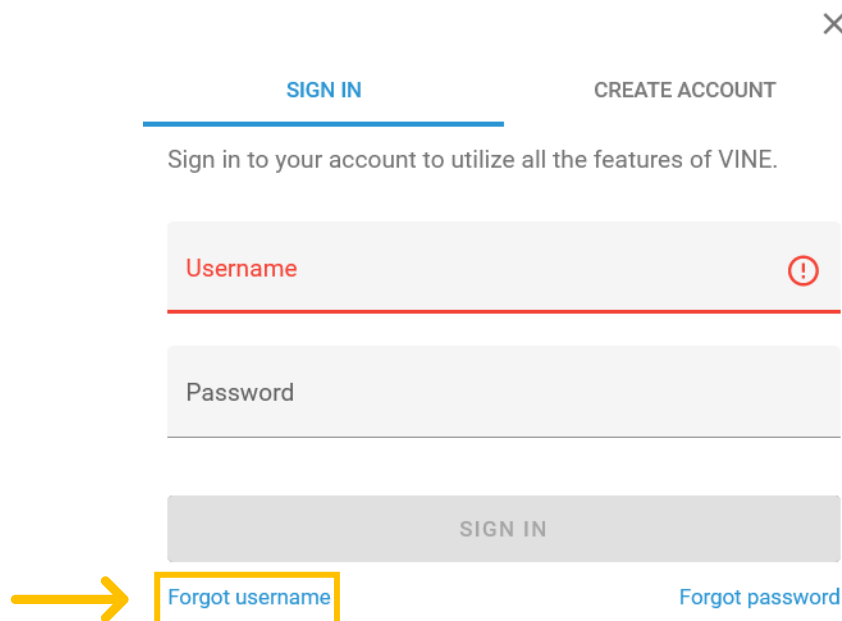

How to Recover My VINELink Account Username

1. For those states that allow the creation of a VINELink account, there is a quick way to recover your username in the event it has been forgotten. First, click **"Sign In"** at the top of the screen.

2. On the sign in screen, click **"Forgot username."**

3. On the following screen, you can choose to recover your username by **email** or **text message**. In this example, we will select "Email."

Forgot Username

You can recover your username by email or text message.

Select ▼

→ Email

Text Message

4. Enter your **email address** and then select **"Recover username"** to continue.

Forgot Username

You can recover your username by email or text message.

[THIS IS NOT MY INFORMATION](#)

6. Your password has been reset! You will receive a reset password link to the email address or phone number you selected. It may take a few minutes for the message to arrive. **The password reset link is valid for 1 hour.**

If you don't receive the message, click **"I didn't receive a message"** to try another delivery address.

We will send a reset password link to the email address or phone number you selected.

It may take a few minutes for the message to arrive.

→

7. An example of the email notification is included below. Follow the link in the notification to reset your VINELink account password.

Sep 02, 2020

We received a request to reset the password for your VINELink account. Follow the link below to reset your password.

<https://click.pstmrk.it/2tsm/>

This password reset link is valid for 1 hour.

If you did not request a password reset, please ignore this email.

Thank you,

The VINE Service

8. After following the reset password link, you will be asked to create a new password for your VINELink account.

Passwords must include 8 or more characters, a number, a capital letter, and a lowercase letter.

Please enter a new password for your VINELink account

New Password*

Must include 8 or more characters, a number, a capital and lower case letter.

Re-enter New Password*

UPDATE

9. Enter your new password, confirm the password by re-entering, and then click "Update."

Please enter a new password for your VINELink account

New Password*

.....

Must include 8 or more characters, a number, a capital and lower case letter.

Re-enter New Password*

.....

10. Successful update! A message will display confirming your password has been successfully updated. You will now be able to log in using your new password.

Click "**Close**" to return to the **Sign In** screen and complete the login process.

Successful Update

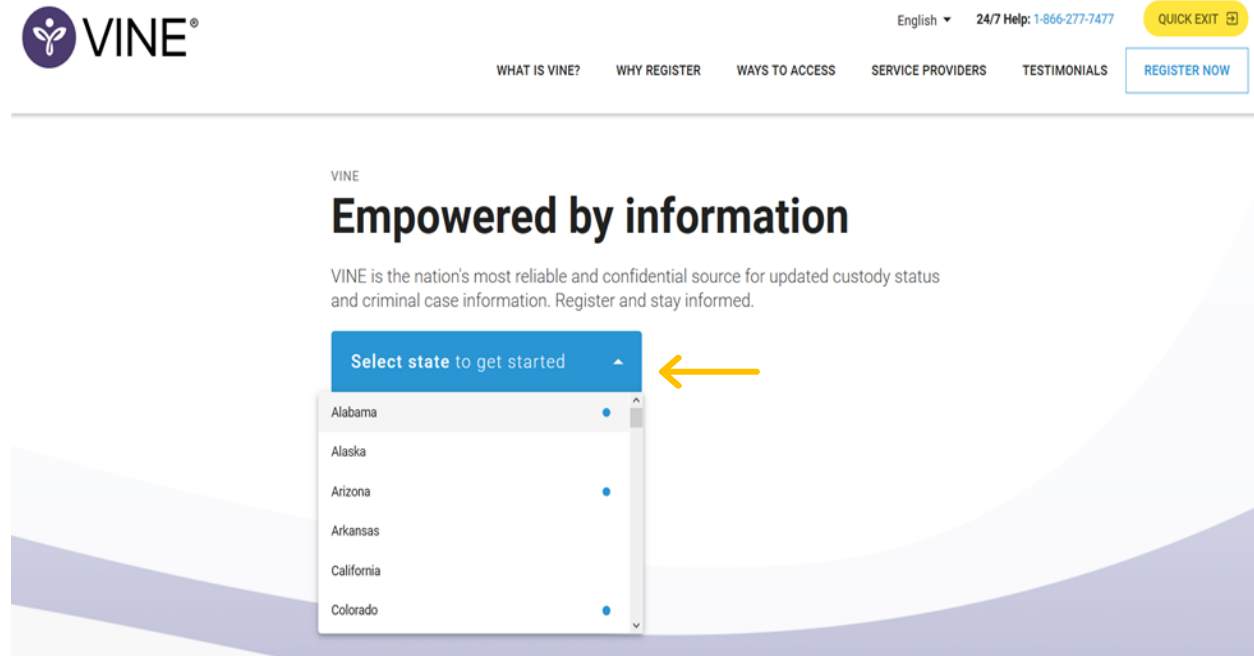

Your password has been successfully updated. Please log in.

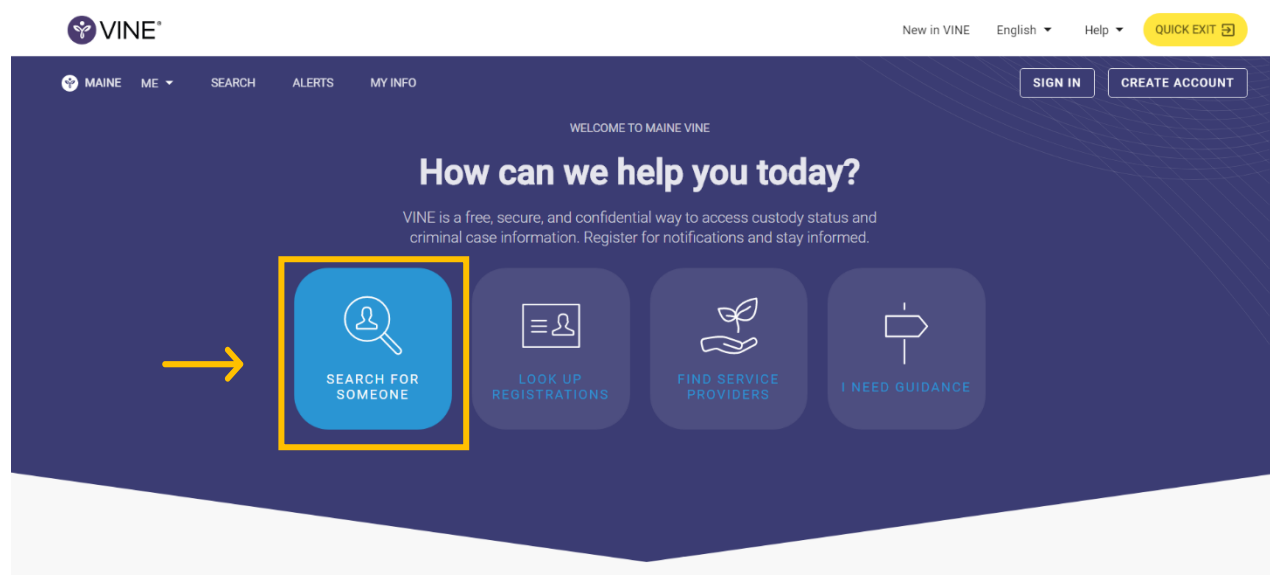

Section 2: Offender Information

How to Search for an Offender in VINELink

1. Access VINELink via the web at www.vinelink.com or via our free mobile application. Select your **State** to get started.

2. To search for an offender, choose **"Search for Someone."**

3. In this example, the search criteria will default to "I'm searching for **An offender/defendant.**" To continue your search, enter the offender's Name or ID Number. We will search by Name.

Search

I'm searching for An offender/defendant ▼ ←

located in Maine ▼

whose Select ▼ is

Name ←

ID Number

NOTE: For those states that do not provide court information in VINE, the "I'm searching for" field will default to only "An offender."

4. For best search results, enter the full first and last name. If the exact name is unknown or does not return results, select "**Partial Name**" and enter at least the first 2 characters of the last name to include more potential matches.

To include any photos that may have been provided by an agency in your search results, choose "**Display offender photos in search results (if available).**"

How to Add an Offender to My Watch List in VINELink

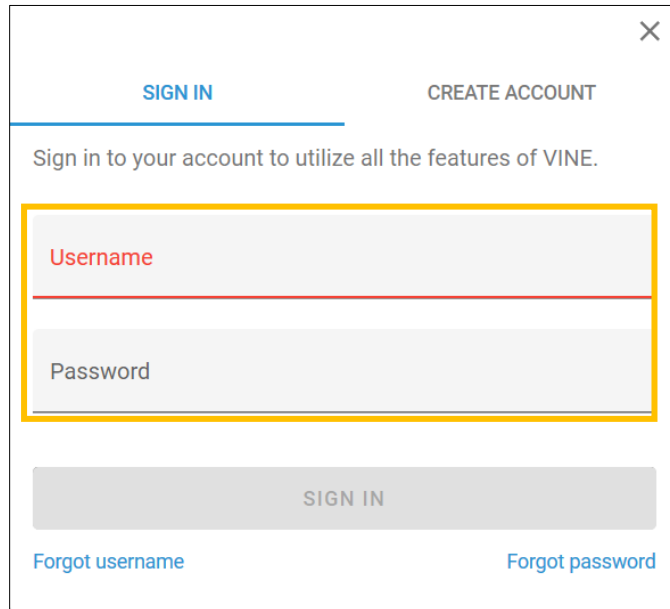

1. Access VINELink via the web at www.vinelink.com or via our free mobile application. Select your **State** to get started.

2. To access the **Watch** feature, you must first access your account. On your state's landing page, select "**Sign In.**"

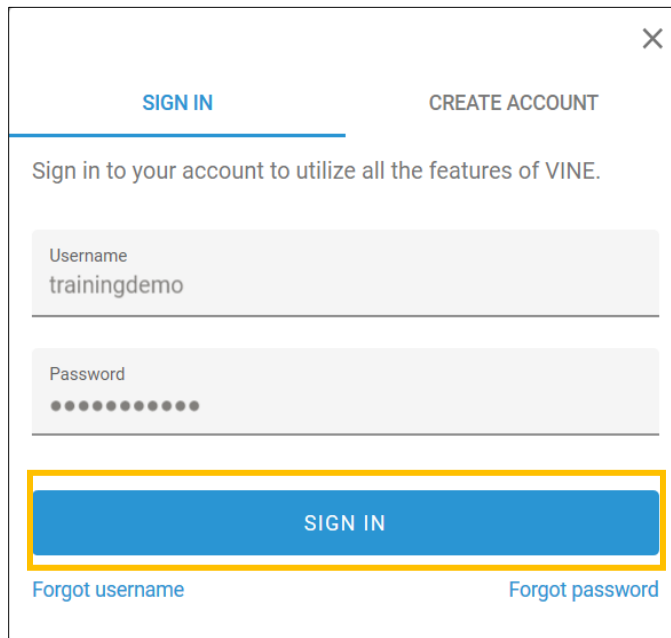

3. On the Sign In form, you will need to enter your unique **Username** and **Password**.

The screenshot shows the VINE Sign In form. At the top, there are two tabs: "SIGN IN" (selected) and "CREATE ACCOUNT". Below the tabs is the instruction: "Sign in to your account to utilize all the features of VINE." The form contains two input fields: "Username" and "Password". Both fields are highlighted with a yellow border. Below the input fields is a "SIGN IN" button, which is currently disabled (greyed out). At the bottom of the form, there are two links: "Forgot username" and "Forgot password".

4. Once you have entered your account credentials, click "**Sign In.**"

The screenshot shows the VINE Sign In form after the user has entered their credentials. The "Username" field now contains the text "trainingdemo". The "Password" field is filled with ten dots. The "SIGN IN" button is now active (blue) and is highlighted with a yellow border. A yellow arrow points to the "SIGN IN" button from the right. The "Forgot username" and "Forgot password" links are still visible at the bottom.

5. Welcome to VINE! You are now logged in and will be directed to your account landing page.

Note that your username will display in the header menu to confirm you are logged in to VINELink. To access more details about your account, select the arrow next to your username.

6. To search for an offender, select **Search for Someone** from the main menu to be taken to the search page.

7. On the **Search** page, your selections will default to **"An Offender/Defendant"*** and your state of interest. You may update either of these selections through the dropdown menus next to each selection.

Once you have confirmed your state and search options, you may search for the defendant by **Name** or **ID Number**. In this example, we will select "Name."

Select 'Add' to register for notifications.

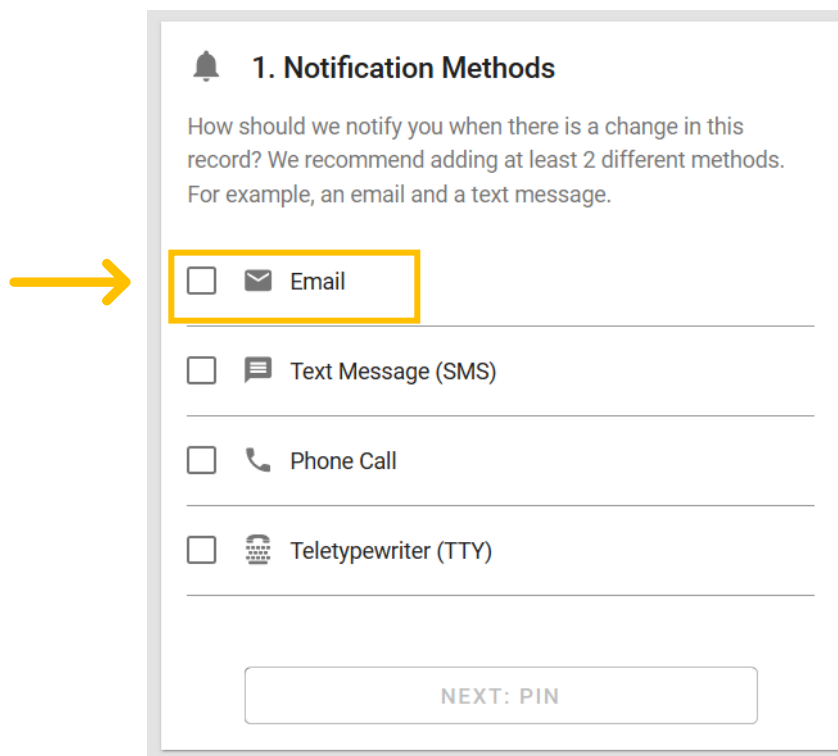

3. You will be taken to the registration workflow. Note the ability to **sign in** or **create a VINELink account** at the top of the registration menu.

4. Under the Notification Methods, select how you would like to be notified of any changes in this record. VINE notifications can be delivered by **email**, **text message (SMS)**, **phone call**, **teletypewriter (TTY)**. More than one type of notification method can be selected.

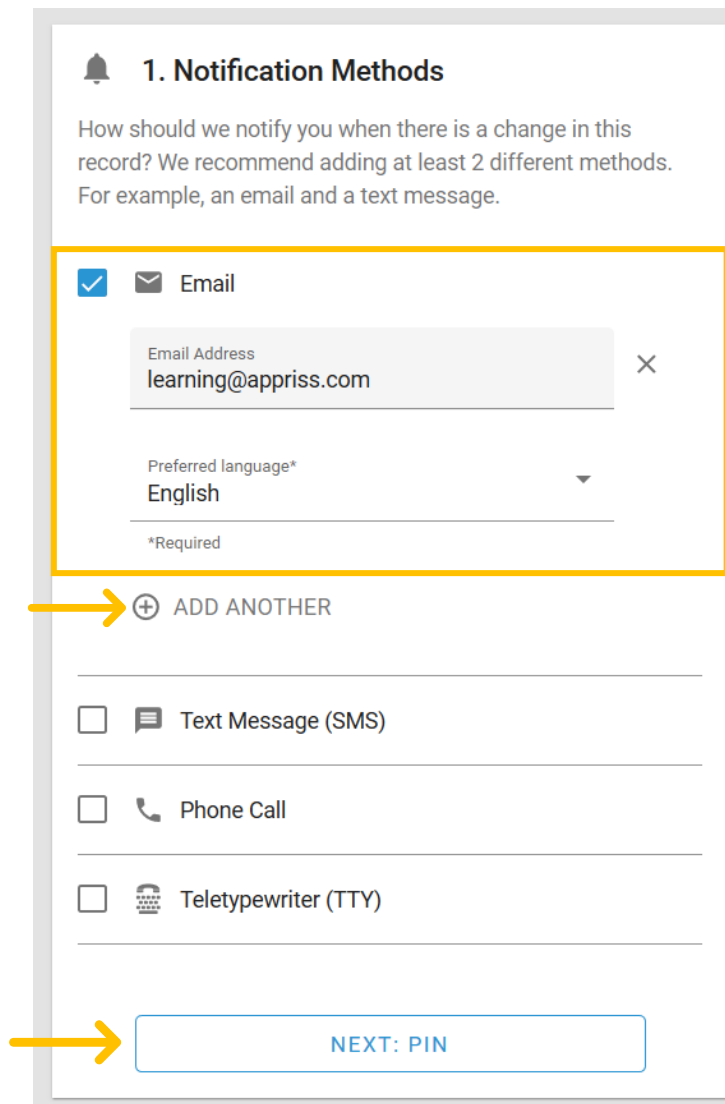

NOTE: For those who have created or signed in to a VINELink account, you will also see an option to have notifications delivered **in-app**.

For this example, we will select "Email."

5. Enter the **email address** at which you would like to receive the notification and choose the **preferred language** for the notification. If you would like to register additional email addresses (such as family members, friends, or other important contacts), click **+Add Another**. You may register as many notification methods as you wish.

Once you have entered your notification methods, select **Next: PIN**.

1. Notification Methods

How should we notify you when there is a change in this record? We recommend adding at least 2 different methods. For example, an email and a text message.

Email

Email Address
learning@appriss.com

Preferred language*
English

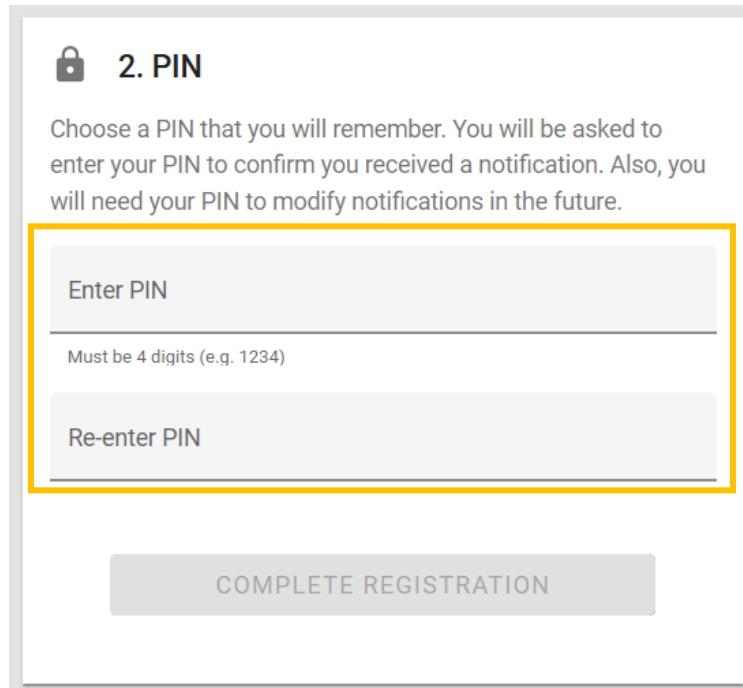

*Required

Text Message (SMS)

Phone Call

Teletypewriter (TTY)

6. Enter a 4-digit Personal Identification Number (PIN). Choose a PIN that you will remember. You may be asked to enter your PIN to confirm you received a notification or to modify notifications in the future.

 **2. PIN**

Choose a PIN that you will remember. You will be asked to enter your PIN to confirm you received a notification. Also, you will need your PIN to modify notifications in the future.

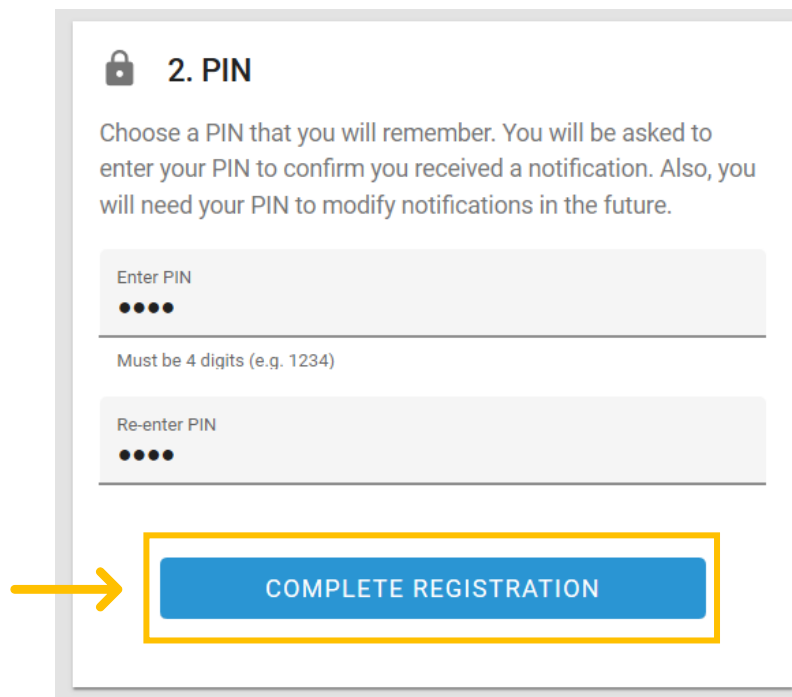

Enter PIN

Must be 4 digits (e.g. 1234)

Re-enter PIN

COMPLETE REGISTRATION

7. Once the PIN has been entered, click **Complete Registration** to complete the registration process.

 **2. PIN**

Choose a PIN that you will remember. You will be asked to enter your PIN to confirm you received a notification. Also, you will need your PIN to modify notifications in the future.

Enter PIN

How to Add A Defendant Court Case to My Watch List in VINELink

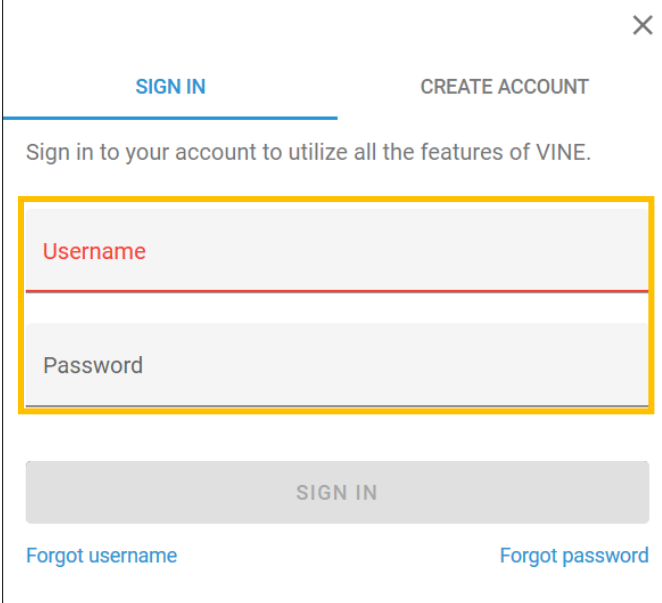

1. Access VINELink via the web at www.vinelink.com or via our free mobile application. Select your **State** to get started.

2. To access the **Watch** feature, you must first access your account. On your state's landing page, select "**Sign In.**"

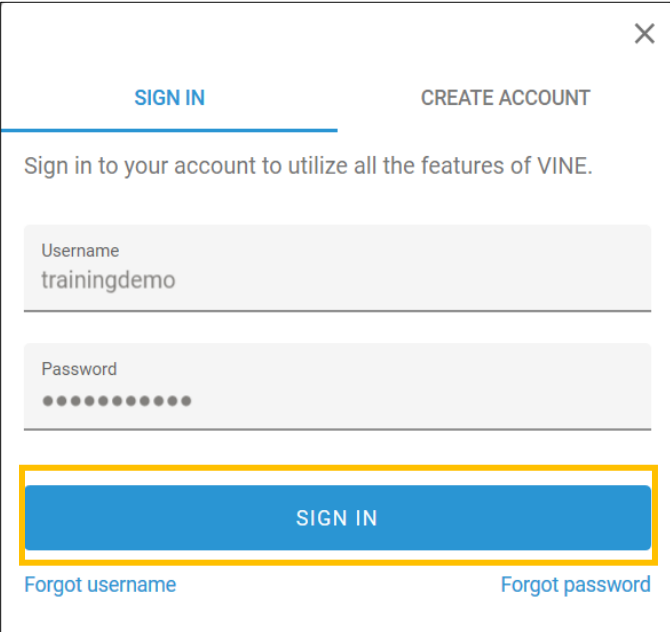

3. On the Sign In form, you will need to enter your unique **Username** and **Password**.

A screenshot of the VINE Sign In form. At the top, there are two tabs: "SIGN IN" (selected) and "CREATE ACCOUNT". Below the tabs is the text "Sign in to your account to utilize all the features of VINE." The form contains two input fields: "Username" and "Password". Both fields are highlighted with a yellow border. Below the input fields is a "SIGN IN" button, which is currently disabled (greyed out). At the bottom of the form, there are two links: "Forgot username" and "Forgot password".

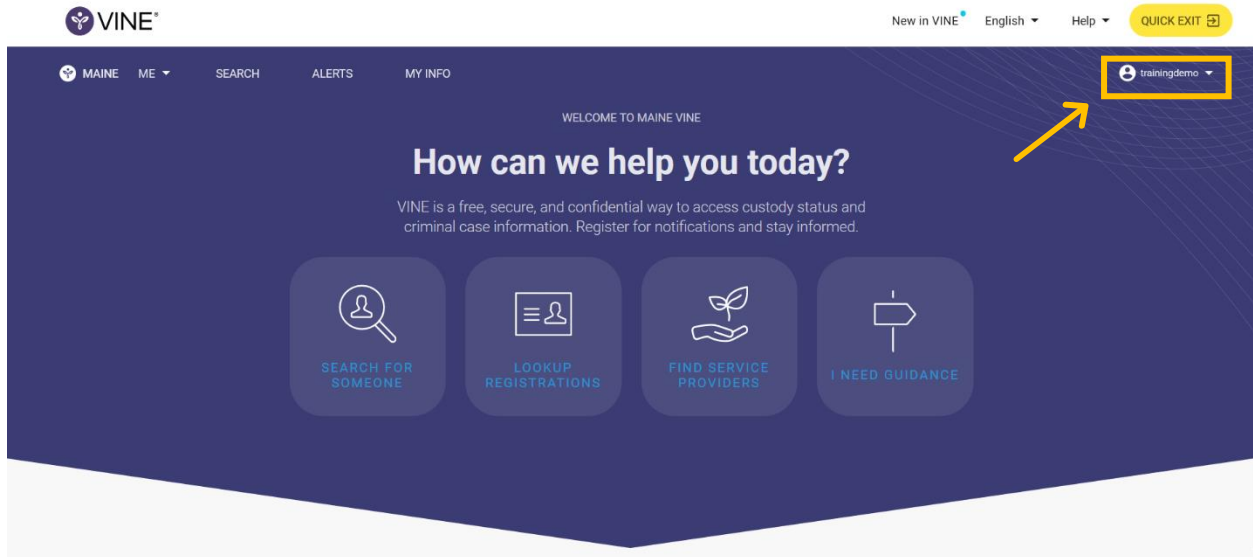

4. Once you have entered your account credentials, click **"Sign In."**

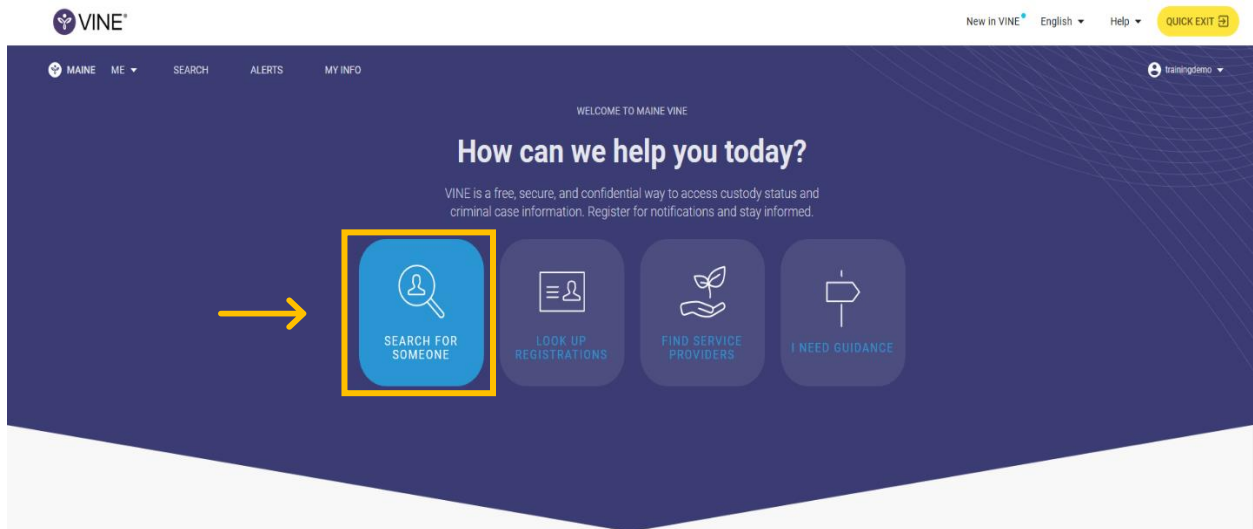

A screenshot of the VINE Sign In form, showing the "SIGN IN" button highlighted with a yellow border. The "Username" field now contains the text "trainingdemo" and the "Password" field is filled with dots. A yellow arrow points to the "SIGN IN" button. The "SIGN IN" button is now active (blue). The "Forgot username" and "Forgot password" links are still visible at the bottom.

5. Welcome to VINE! You are now logged in and will be directed to your account landing page.

Note that your username will display in the header menu to confirm you are logged in to VINELink. To access more details about your account, select the arrow next to your username.

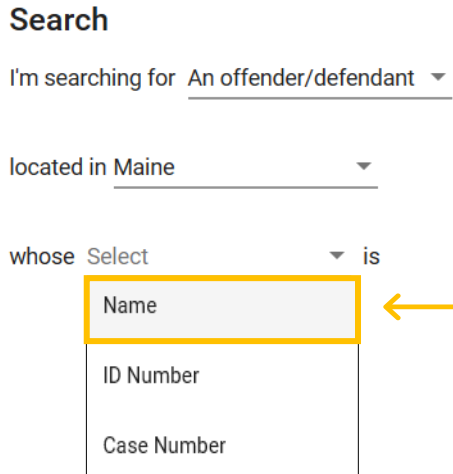

6. To search for a defendant or court case, select **Search for Someone** from the main menu to be taken to the search page.

7. On the **Search** page, your selections will default to **"An Offender/Defendant"*** and your state of interest. You may update either of these selections through the dropdown menus next to each selection.

Once you have confirmed your state and search options, you may search for the defendant by **Name** or **Case Number**. In this example, we will select "Name."

Search

I'm searching for An offender/defendant ▼

located in Maine ▼

whose Select ▼ is

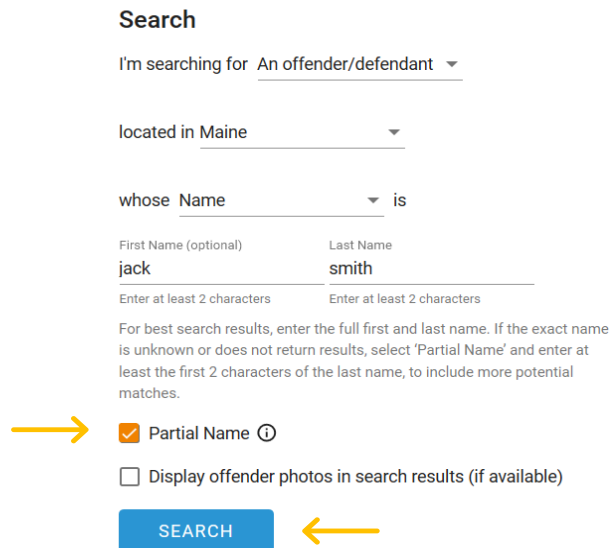

- Name
- ID Number
- Case Number

A yellow box highlights the "Name" option in the dropdown menu, with a yellow arrow pointing to it from the right.

***Note:** For those states where court information is not provided to VINE, your option will default to only "An offender."

8. For this example, we will enter the name of the defendant. If the exact name is unknown or does not return results, select **"Partial Name"** and enter at least the first 2 characters of the last name to include more potential matches.

Once you have entered your search criteria, click **"Search."**

Search

I'm searching for An offender/defendant ▼

located in Maine ▼

whose Name ▼ is

First Name (optional)	Last Name
<u>jack</u>	<u>smith</u>
<small>Enter at least 2 characters</small>	<small>Enter at least 2 characters</small>

For best search results, enter the full first and last name. If the exact name is unknown or does not return results, select 'Partial Name' and enter at least the first 2 characters of the last name, to include more potential matches.

How to Save a Service Provider to My VINELink Account

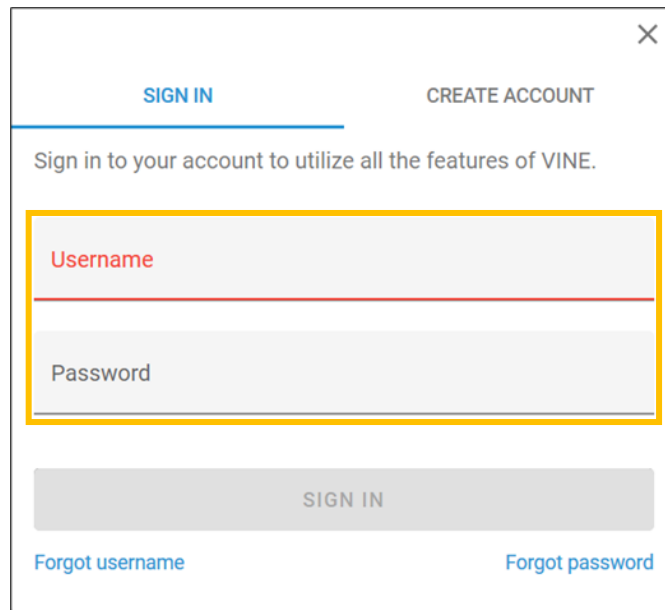

1. Access VINELink via the web at www.vinelink.com or via our free mobile application. Select your **State** to get started.

2. To save service provider information, you will first need to access your account. On your state's landing page, select "**Sign In**" from the menu in the header.

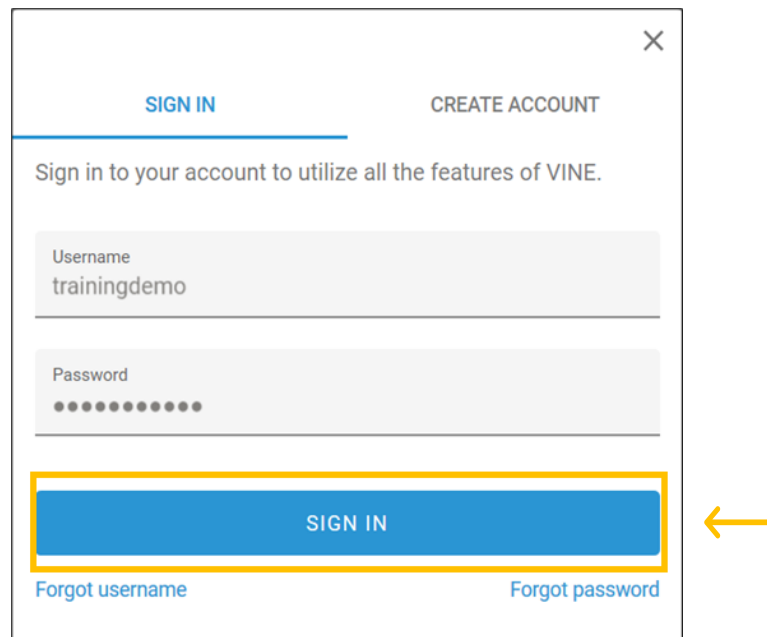

3. On the Sign In form, you will need to enter your unique **Username** and **Password**.

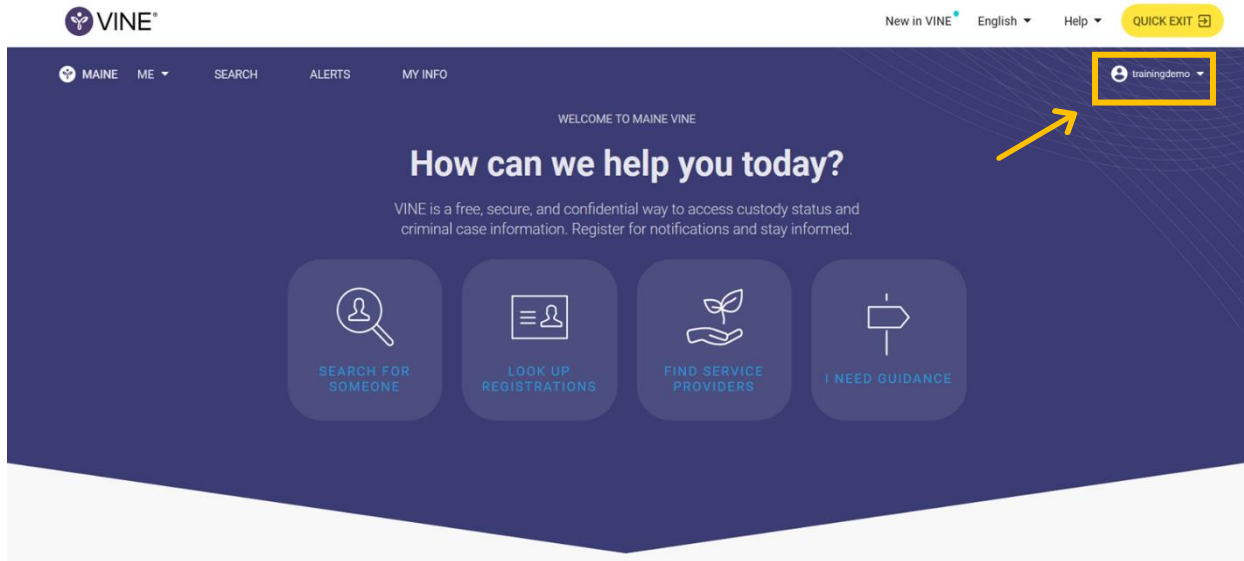

A screenshot of the VINE Sign In form. At the top, there are two tabs: "SIGN IN" (selected with a blue underline) and "CREATE ACCOUNT". Below the tabs is the text "Sign in to your account to utilize all the features of VINE." The form contains two input fields: "Username" and "Password", both of which are currently empty. Below the input fields is a grey "SIGN IN" button. At the bottom of the form, there are two links: "Forgot username" and "Forgot password". A yellow rectangular box highlights the Username and Password input fields.

4. Once you have entered your account credentials, click "**Sign In.**"

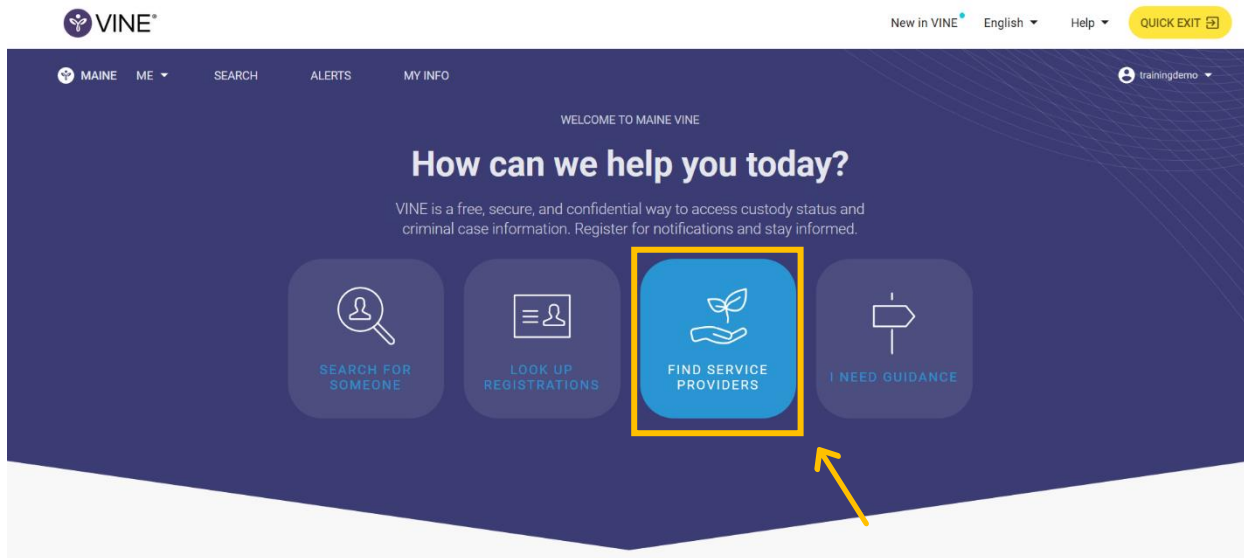

A screenshot of the VINE Sign In form, identical to the previous one, but with the "Username" field filled with the text "trainingdemo" and the "Password" field filled with ten dots. The "SIGN IN" button is now highlighted with a yellow rectangular box, and a yellow arrow points to it from the right. The "Forgot username" and "Forgot password" links are still visible at the bottom.

5. Welcome to VINE! You are now logged in and will be directed to your account landing page. Note that your username will display in the header menu to confirm you are logged in to VINELink.

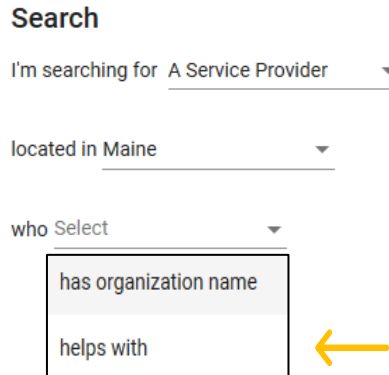

6. To find a service provider or victim resource agency, select **"Find Service Providers."**

7. On the **Search** page, your selections will default to "A Service Provider" and your state of interest. You may update either of these selections through the dropdown menus next to each selection.

Once you have confirmed your state and search options, you may search for a service provider by **organization name** or **helps with**. In this example, we will select "helps with."

Section 6: VINELink Frequently Asked Questions

What is VINELink?

VINELink is an online portal to VINE, America's leading victim notification network. VINE has been providing victims and concerned citizens with the power of information for over 25 years, affording countless individuals the sense of security they deserve. VINELink can be accessed 24/7/365, providing reliable information regarding custody status changes and criminal case information.

The VINE service notifies victims and concerned citizens via telephone, email, TTY, text message, and in-application notifications (where available). You may also sign up to receive notifications by calling your participating state or county's toll-free telephone number.

What's new in VINELink?

Depending on your selected state, you may notice a difference in the way VINELink looks. We have enhanced the overall user experience, adding features that will significantly benefit the community of victims and concerned citizens, and have made information more easily accessible.

For the most recent updates to VINELink, click "**New in VINE**" from the top menu in VINELink.

Why can't I find the offender or court case I am searching for?

VINE provides information on offenders who are currently in custody or who may have been recently released from custody. If your search does not produce the offender you are looking for, please contact the facility where you believe that offender is housed to inquire about his/her custody status.

Possible reasons the offender or case was not found:

- 1. Facility is offline:** Occasionally, a facility may experience a loss of connection to VINE due to service interruption or required maintenance. During this time, the facility is considered to be "offline." When this happens, the facility's current custody information will be unavailable. Until connection is restored, this information, as well as the ability to search for offenders and register to receive

notifications, will also be unavailable. Upon reconnection, custody information is updated, and all functions are once again available. If you need offender information quickly, please contact the facility directly.

2. In the custody of another agency:

- **Federal inmates:** VINE does not receive federal inmate information. Please visit the [Bureau of Prison's Inmate Locator](#) for assistance.
- **U.S. Immigration and Customs Enforcement (ICE):** Please visit www.ice.gov and use the *Detainee Locator* tool to search for an offender who is in ICE custody.

3. Non-participating areas: VINE is available in the majority of the United States, but there are certain states with counties that do not yet utilize the VINE service. VINE is unable to receive information from non-participating areas and thus the offender search functionality may not yet be available in your selected state or area. If you are unable to locate an offender, try contacting the facility directly.

How do notifications work in VINELink?

VINELink offers multiple custody status notification options, including telephone, TTY, email, text message, and in-app notifications. Victims can choose how they wish to be alerted.

- 1. Phone/TTY:** Once you register to receive phone (or TTY for the hearing impaired) notifications, VINE will call the phone number you have provided when there is a change in an offender's custody status. The types of custody changes may vary depending on the state or facility where the offender is located. When you receive a phone call from VINE, listen to the message, then enter your previously selected PIN followed by the pound (#) key. Entering your PIN lets VINE know that you received the call and will stop VINE from calling you again regarding this particular status change. For this reason, please do not register a phone number that rings to a switchboard. If you do not answer a notification call, VINE will leave a message and continue to call you back until you enter your PIN, or until a predetermined amount of time has passed. This timeframe varies from state to state, but it is usually between 24 to 48 hours.
 - **Tip:** To better ensure delivery of notifications, VINE recommends adding (502) 213-2798 to your mobile phone contact list.
- 2. Email:** Once you register to receive email notifications, VINE will email the address you provided when a change in the offender's status has occurred. The

types of custody changes that generate notification emails vary depending on the state or facility where the offender is located. You will receive only one email per status change. Most states do not require a PIN for email notifications.

- **Tip:** Add the following email address to your address book or white list to prevent VINE email notifications from being blocked by your spam filter: do-notreply@globalnotifications.com.

3. Text message (not available in all areas): Once you register to receive text message notifications, VINE will send you a text message when an offender's status changes. The types of custody changes that generate notification texts may vary depending on the state or facility where the offender is located. You will receive only one text message per status change. You may be required to create a 4-digit PIN for text notifications.

4. In-app notifications: Once you register to receive in-app notifications, VINE will send you an in-app notification when an offender's status changes. The types of custody changes that generate in-app notifications may vary depending on the state or facility where the offender is located. In-app notifications will be stored under the notification dashboard indicated by the ALERTS icon in the VINELink app. If you are using the mobile app, and have agreed to receive push notifications from VINELink, you may choose from various settings for displaying the push notification banner. These notifications can be received from both your mobile device and through the VINELink website. (Note that in-app notifications are only available to those who hold a verified VINELink user account.)

Why am I being asked for a PIN?

As a security measure, we ask that you create a 4-digit Personal Identification Number (PIN) when registering to receive notifications. Your PIN is necessary to verify that you are the intended recipient of the notification. You will also need your PIN if you wish to update or disable your registered notifications.

If you have created and verified a VINELink account, you can create one universal PIN that will span across all registered notifications. This can be updated in either your VINELink account profile, or within each registration.

What is the VINE "Caller ID" number and "Sender Email" address for notifications?

Phone calls from VINE will show up on caller ID as 502-213-2798. Email notifications will be sent to you from do-not-reply@globalnotifications.com.

How do I delete my registrations?

Verified VINELink account holders: Within VINELink, go to your Watchlist and select the offender whose registration you would like to change. Select the Get Notified tab, and either delete, or add a new notification method.

Guest users: As a guest user, use the **Search > My Registrations** feature and select the notification you wish to delete.

All users may also request assistance from our CustomerFirst Center by contacting their state's toll-free VINE phone number. For our VINE Directory, please visit <https://apprissafety.com/vine3directory/>.

How do I create and verify an account?

For states that have an account creation feature, select **Create Account** and follow the prompts to create a username and password. You will be prompted to verify your account via email or text message.

How do I find registrations from the previous version of VINELink?

To find previous registrations, select the **Search** icon, then select the dropdown and choose **My Registrations**. Enter your registration information to locate your existing registrations.

If you have a VINELink account, you can add your existing notifications to your account so that they are viewable in your Watch List.

If you are a guest user, you can choose to create an account, or find your registration through the My Registrations feature.

How do I search for an offender or defendant?

To search for an offender, select the **Search** icon, choose An **Offender/Defendant** from the dropdown menu, then search by Name or Offender or Defendant Case ID.

Can I register for notifications on more than one offender or defendant?

Yes, users may register to receive notifications of updates on multiple offenders or defendants as needed.

How do I search for a service provider?

To search for a service provider, select the **Search** icon, choose **Service Provider** from the dropdown menu, then search by Name or Helps With.

If you are not sure how to get started, select **Not Sure, Guide Me** from the Search feature. You will be prompted to provide some clarifying information regarding your current needs and/or how you have been impacted. Once this is complete, you will be presented with a list of service providers that can assist you.

Can I search outside of my state?

VINE's data is not restricted to the state in which you reside. Through VINELink, victims and concerned citizens can search for important offender or court case information and receive notification from any of the states that currently participate in the service.

How do I stop unwanted VINE notifications?

Using your PIN, access the VINELink app or website and search for the offender registration you wish to delete (if you are a guest user). Account holders may also go to their Watch List to locate the offender whose registration they wish to delete.

If you do not know your PIN, or if you believe you are receiving a notification in error, please call your state's [toll-free VINE number](#). Select the option that allows you to speak with an operator who will assist you in stopping any unwanted calls.

What should I do if I forgot my PIN?

If you've forgotten your PIN, please dial your state's toll-free VINE number and select the option that allows you to speak to one of our operators. Additionally, you may also reach out to the facility where the offender is housed to request assistance with registration or notification.

What is "Watch?"

"Watch" allows you to bookmark offenders you want to track so you don't have to search again.

To get started, search for an offender and sign up for notifications or choose the **Watch** icon to save the offender to this list. Please note that if you only add an offender to your Watch List, but do not register for notifications, you will not be notified of custody status changes. You will need to sign in or create an account to have access to this feature.

What is "Contacts?"

"Contacts" allows you to bookmark service providers of interest so you don't have to search again.

To get started, search for a service provider and choose the Contacts bookmark icon to save the provider to this list. You will need to sign in or create an account to have access to this feature.

What is "News?"

The News Feed shows news and other information from your state VINE program and other service providers. You will need to sign in or create an account to have access to this feature.

How current is VINE?

VINE information is as current as the data received from jail facilities. If you believe that VINE is presenting any outdated data, please call the facility directly for an update and initiate your personal safety plan.

Can you change or remove offender information in VINE?

No. Offender information in VINE is received directly from local and state facilities for the purpose of notifying victims when a change in an offender's custody status occurs. We work closely with state and local agencies to ensure data integrity and accuracy. If you believe that there might be incorrect data in VINE, please report this to the facility directly.

What web browsers does VINELink support?

We support the current and previous major versions of the following browsers on a rolling basis.

- Microsoft Internet Explorer – <http://windows.microsoft.com/internet-explorer>
- Microsoft Edge - <https://www.microsoft.com/en-us/edge>
- Google Chrome – <http://www.google.com/chrome>
- Mozilla Firefox – <https://www.firefox.com>

To identify what browser and version you are currently using, visit the following site: <http://whatbrowser.org>.

A screen resolution size of at least 1024x768 pixels is also recommended.
